EXHIBIT "A"

CONTRACTOR BIDDING POLICYI. Bidding Process Generally

- 1.1 **Authority.** The Association may solicit bids for contractor / vendor work to be performed within the Association, either through its Board of Directors or any other duly authorized agent of the Association. No agent or individual member of the Board of Directors may enter into any binding contract on behalf of the Association without first receiving written approval of the Board of Directors.
- 1.2 **Small Projects.** For routine repairs and other matters anticipated to cost less than \$2,500.00, the Association need not solicit bids as provided above. The Association or its Agent(s) may simply retain and compensate a vendor at their discretion.
- 1.3 **Moderate Projects.** The Association shall obtain at least three (3) bids for all work anticipated to cost more than \$2,500.00.
- 1.4 **Large Projects.** The Association shall obtain at least three (3) bids for all work anticipated to cost more than \$50,000.00.
- 1.5 **High and Low Bids.** The Board of Directors determines which vendor it will choose, not the comparative bid costs. Low bids are not guaranteed to be chosen. High bid are not guaranteed to be rejected. Rather, the Board of Directors will also consider such factors the vendor's history, warranties, insurance, equipment, and staffing.
- 1.6 **Emergency Exception.** In the event of an emergency, the bidding requirements may be waived by the Board of Directors. Vendors who have an established relationship with the Association (e.g. a history of scheduled services in excess of one year, more than three contracts in any five year period, warranties still active) may be exempted from this requirement by the Board of Directors.
